**From The Shepherd's Heart**

The 2006 Singing Christmas Tree was one of, if not THE best, we have hosted in the seven years of this event. Words fall short in describing just how good it was. Just a sampling of what I heard from those who attended.

*It was just what I needed.  
I have never been to a more professionally done live event.  
I can't believe you have so many talented people in your church.  
It made a difference in my life.*

There were many unchurched individuals and families in attendance this year, and a number of them came to church on Sunday. Please continue to pray for and participate in the follow-up visitation for 'The Tree.' In the meantime, **our great thanks to Buddy Casey and our music ministry, as well as many, many other volunteers,** for making this one of the premier Christmas events in Middle Georgia.

**You will receive the 2007 Budget in a special mailing this week.** It will reflect an 11.9% increase over the 2006 budget. This is quite a leap, but the growth of our congregation also requires a growth in our giving. Please review the budget and, if possible, be present for the budget discussion on Wednesday night, December 13.

**Last week, you received a mailing about our youth minister candidate - Brandon Nichols.** We're so excited about this young man! **There will be a special meeting after church this coming Sunday evening in the youth auditorium for all youth, youth parents and workers.** Brandon will be there to answer questions and share with you some of his vision for our youth ministry. Brandon's salary package and job description will be presented on Wednesday night, December 13, and the church will vote on his call Sunday morning, December 17.

**This coming Sunday, December 10, is the date for our annual in-gathering of the Lottie Moon Christmas Offering for International Missions. Our church-wide goal is \$50,000.** Please bring a sacrificial gift, that we might support our missionaries in a worthy fashion.

*Well, it's beginning to look a lot like Christmas!* I hope you'll stay with us all month as we celebrate Christmas together as the family of God.

*For the Sake of the Gospel,  
Pastor Owen Bozeman*

Everything is lovely.

sponsored by **WEM** The Women's Enrichment Ministry (WEM) of Central Baptist  
Church seeks to encourage women in spiritual growth, dis-  
cipleship, enrichment, ministry, and evangelism by studying  
the Bible together, fellowshiping with other believers, and sharing the faith.

The Warner Robins Singing Christmas  
Tree is history. The tree and set are stored,  
and the many items borrowed, rented, or  
otherwise displaced have been returned.  
Space does not allow me to thank everyone  
by name, but I am so grateful to each of the  
three to four hundred folks involved in the  
production. This was a strong witness for  
our Lord, Jesus Christ, and I pray that seeds  
were planted which will bring a great  
harvest.

Many of the same people played key roles  
this year with a few changes. Cliff Broxton  
joined Larry Warnock in heading up  
assembly and disassembly this year, and  
Cliff plans to take that job over next year.  
We owe Larry Warnock a debt of gratitude  
for a job well done for the first seven years  
of this program. I also want to thank Cliff  
Broxton for his enthusiastic response in  
taking over the reins of this important job,  
and for all the work he did this year.

The lights for the tree were a real problem  
this year, but Bobby Waller, was diligent in  
repairing them. Thank you, Bobby for your  
skill and determination, and thank you, Val  
Rosales for helping him, and for the  
masterful job you did running the tree lights  
during the program.

There were some who could not get in both  
nights, and I do apologize for the  
inconvenience. This was the decision of the  
Fire Marshall on duty, who said that we just  
had too many people in the building. These  
decisions have to be made for the safety of  
everyone. We have basics in place for a  
third presentation next year on Sunday  
afternoon. I cannot promise that at this  
point, but I do have the building and the  
sound contracts secured.

**About seventy tickets remain for our  
KidzSong Dinner Theater. All tickets  
must be secured by 5:00 P.M. Monday,  
December 11. Dinner is served Friday,  
December 15 at 6:30 P.M.**
