From The Shepherd's Heart

Last weekend, Debbie and I were able to enjoy a get-away weekend for our 27th wedding anniversary. After all these years, we still can't get enough of each other. Thanks for allowing us this time away.

On Sunday, we were able to visit First Baptist Church Orlando, which is a great church now pastored by Dr. David Uth. As God would have it, we were unexpectedly reunited with dear friends from seminary, who happen to serve in that church. Now, as churches go, we are a large church. But you could fit about five of our churches inside FBC Orlando. I actually got lost and had to ask for help to find my wife! All in all, we had a wonderful time.

Our experience in Orlando reminded me of what it's like to visit a church for the first time - from the parking lot to the pew. And may I just say that we are really blessed here at CBC to have people in place doing a great job every Sunday. Our transportation and welcome teams are really impressive. If you are a red or yellow shirt volunteer, thank you so much for the wonderful job you do!

But in end, it's up to all of us to help people feel welcome. Pay close attention to the people around you. Be courteous in the parking lots - especially on Sunday morning. Ask people if they need help. Don't assume that they know our routine. Get acquainted with the people around you. Introduce yourself and ask their name. Ask if there is anything you can do to help them and make them feel more welcome. Offer to introduce them to your Pastor or staff. Do everything you can to make them feel at home. Show them what I would like to call *The Central Difference*.

I would like to thank Chris Winford for bringing our messages this last Sunday morning. It's such a joy to have him here to share in the preaching and teaching ministry of this church. I also want to thank Mr. Truett Spivey for all he did to set us up for the Carroll Roberson concert, which was such a success on Sunday evening.

Well, I'm looking forward to seeing you all this Sunday in all services.

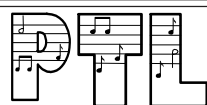

For the Sake of the Gospel,
Pastor Owen Bozeman

His Witnesses had over seventy students in rehearsal the past two Sundays, and they previewed a new program called "Motion." Their response was very positive, and we hope to start on some of these songs and activities as soon as they arrive in February. We plan to use some of this new material on our summer trip to New York City and Washington, D.C. Only five tickets remain to the Broadway production we will see. After those are claimed, we will try to get more, but there is no guarantee that any will be available. This is going to be a really great trip, and we already have a large group planning to go. Students have to maintain an 80% attendance in choir to be eligible. Some have already had to "work off" some time helping at the church in order to maintain their eligibility.

I need your help! Because the congregational singing on most Sundays is so strong, I know that we have many people in the congregation who really could help us in the Sanctuary Choir. I would welcome any tips you could give me as to people you hear around you who are singing especially well.

Thanks you so much for all the prayers going up for my voice problems. I got good news from the doctor. There were no nodules or polyps on my vocal chords, just some serious irritation from acid reflux and over use. My voice is slowly getting back to normal.
