From The Shepherd's Heart

May is a very busy month in all our lives - and at our church. Here are just a few things happening!

May 6 is Senior Adult Sunday. All our Senior Adults will be recognized in a special way at our morning worship services.

May 10 is the Migrant Health Fair. We are hosting this marvelous event on our campus for the first time. I hope and pray that you will find a way to participate. *Please see the add inside this Challenger for more information.*

May 13 is Mother's Day. Every mother will receive a special gift. We are also offering the opportunity for **Parent/Child dedication** for children age one and under who are attending Central Baptist Church. We are extending the deadline to sign up for this dedication to Monday, May 7. Please call our office to sign up.

May 20 is High School Senior Recognition. This year, all our seniors and families are invited to attend the 9 a.m. service, where they will be recognized. A special recognition brunch will follow at 10:30 in the youth auditorium.

The **area wide high school baccalaureate service** will also be held at our church at **3 p.m. on May 20.** We are grateful to host this student-led event for the first time in many years.

May 27, is Memorial Day Sunday. We will have a patriotic theme as we recognize our military. We're asking both active and retired persons to wear their military uniforms that morning. Our special guest speaker will be **Captain Joshua Payne, United States Air Force Chaplain** from Robins Air Force Base.

I would ask our **deacons** to note that your monthly meeting has been moved to Sunday afternoon, **May 20** (because of Mother's Day), and for our church to note that our **monthly business conference will be on May 23.**

For the Sake of the Gospel,
Pastor Owen Bozeman

This past weekend I began building a wooden privacy fence in my backyard. I've had a ton of great help: Scott Custer, Greg Custer, Tyler Hightower, Dustin Noe, and Thad Parker. I'm not a real handy man, so I needed all the help that I can get. Even though I'm not exactly Bob Villa, I did notice something interesting about building fences very quickly. If one post is not level or not lined up correctly it will affect the rest of the fence. At one point I got a head of myself and set a post in concrete without checking to see if it lined up correctly. The result was I spent the next twenty minutes digging that pole back up. The problem is that if one post is just a few inches out of line, then the next one will be a few more and so on and so on. The Bible says that we, the church, "are being built up as a spiritual house" (1 Peter 2:5). 1 Corinthians 12 describes how we as the church are dependent upon one another. What we do affects the rest of the church. There are many member of Central Baptist Church, but there is only one body. One members can influence the entire church, just like one pole can influence the entire fence. The question is how are you influencing the rest of the church? Is our church better because of your contribution? You are important as a member of this church and you do have a role to play. I hope that you are finding a place to serve here where you can positively influence the rest of the church.
