From The Shepherd's Heart

**Mother's Day is this coming Sunday, May 13.** I certainly hope that you will be able to honor or remember your mother in some tangible way. If she is local, bring her to our church or attend her church. (I sure wish I could be with mine!) **Every mother attending Central on Mother's Day will receive a special gift, as a small token of our thanks and appreciation.**

I was reading an article in *Smithsonian* magazine this last week about a woman named Anna Jarvis, who is credited with leading the movement to establish Mother's Day. What was interesting is that, after the day was established, she spent the rest of her life fighting its commercialization. In the end, however, Mother's Day has become the third most commercialized day on our calendar - coming in only after Christmas and Easter. And so, the card companies and flower shops and department stores make a lot of profit off mother!

But, when you think about it, there is no one who has not profited off mother. None of us would be here without a mother and our mothers have given to us things that can never be repaid.

I hope that you will take the opportunity to give your mother more than a store-bought gift. Give her the gift of your love, your appreciation and your undying gratitude. She deserves it.

Well, our **Minister of Education Don Witherington** surprised us all with the announcement of his resignation and upcoming retirement. He and Bonnie are moving down to Savannah to be close to their children and grandchildren. We will certainly miss Don and his wonderful ministry and personality. **Please note that, throughout this month, we are receiving a love offering for Don and Bonnie and will be taking some time to celebrate their ministry among us on Sunday night, May 27, at a reception to be held in their honor.**

Dear Central,

I am writing to you today to share  
with you as a church congregation.  
I have served with you for the last 5  
years. As many of you know this is  
my second time around as I served  
Central as Minister of Education  
from 1984-1988, It's been a joy to  
have served with you this total of 9  
years.

This past Sunday I submitted to you  
my resignation effective the 31st of  
this month. Bonnie and I will be  
retiring to Savannah, GA where we  
will be serving through the local  
church and other ministry areas.

Please be praying for us as we embark  
on this new and exciting ministry  
journey. May God Bless each of you  
as you're a part of, and as you serve  
through, Central Baptist (a great  
church with a great purpose). The  
purpose I speak of is in the Great  
Commandment and the Great  
Commission, encompassing the main  
purposes of worship, evangelism,  
discipleship, fellowship and ministry.

I would like to leave you with this  
word from God's Word (Romans  
8: 38 & 39):

38) For I am convinced that neither  
death, nor life, nor angels, nor  
principalities, nor things present, nor  
things to come, nor powers,  
39) Nor height, nor depth, nor any  
other created things shall be able to  
separate us from the love of God  
which is in Christ Jesus our Lord!

In Christ  
Don & Bonnie Witherington
