Next week will be the first rehearsal for The Warner Robins Singing Christmas Tree! We need singers-lots and lots of singers. We don't need bodies to fill a slot on the tree, but we do need people who like to sing, and who will commit to this great church wide bridge event to our community. The Christmas tree portion of the rehearsal will begin at 8:00 P.M. for several weeks, and then it will get progressively earlier as we get nearer the concert.

We had to turn many people away both nights last year, so we plan to add a Sunday matinee this year. The program is scheduled for December 7, 8 and 9 at the Homer J. Walker Civic Center. Evening performances will be at 7:00 P.M. and the Sunday matinee will be at 3:00 P.M. There will be no evening service at Central that day. This is a short commitment with a big impact. If you have any singing ability, please consider singing with us in this project. Just come Wednesday, August 22, or any Wednesday soon after that, and give it a try. If you find it is not for you, then "no harm, no foul."

KidzSong, Central's graded choir program, kicks off this Sunday with a party at Monkey Joe's at Russell Parkway and Hwy 41. KidzSong Choirs are for pre-k through 6th grade, and they rehearse at 5:15 on Sunday afternoons. If you know someone with children in this age group, please invite them, and tell them to call the music office for more information. We would love to see them at the party which is from 4:00 - 6:00 P.M. Sunday. The price of admission is enrolling in a KidsSong choir. They will get free pizza and drinks, and have a great time.
