From The Shepherd's Heart

We Need Revival!

"Will you not revive us again, that your people may rejoice in you?" -

Psalm 85:6

This is the scriptural prayer text that I introduced to you last week in worship, as we began a series called, "We Need Revival!" My heart has been burdened that our church has been going through the motions recently. We are a large church with an even greater potential. But it has recently seemed as though we are lacking a passion in our purpose. Even though we have not scheduled revival services, I feel as though revival must be our theme the month of November. It seems that God is in it, for our worship services last Sunday were spirit-filled, and there was a great out-pouring at the altar in both morning services.

But this is only the beginning. I want to ask each of you to pray earnestly that God would pour out his Spirit on our congregation. Come prepared to worship the Lord Sunday, in Spirit and in Truth.

Veteran's Day

This coming Sunday, November 11, is Veteran's Day. We will pause at the beginning of each of our morning worship services to recognize and honor our military veterans. We are asking both active and former military veterans to wear your uniform as a reminder of all who presently serve or in the past have served our country. I want to join our church in personally thanking each of you for defending freedom both here and around the world. God bless you all!

Deacon Election

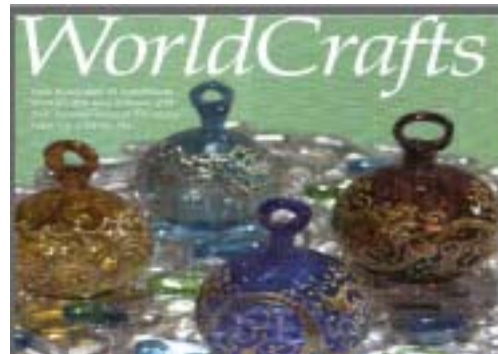

This coming Sunday, the congregation will be asked to participate in the annual election of deacons. Inside this newsletter, you will see the list of nominees to pray about. On Sunday, you will receive a picture ballot which you may mark and return during the morning services. Thank you for your prayers and participation in this process. And special thanks to each man for your willingness to be nominated.

Praying for Revival,
Pastor Owen Bozeman
